APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level at permittee's well due to other groundwater development in the area. A measuring device must be installed and measurements of water use kept. The well shall be equipped with a 2-inch opening for measuring depth to water. If the well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of the water granted herein at any and all times.

The total combined amount of water granted under this permit and permit 24590 is limited to what the well covered under the two permits is capable of producing. If certificates of appropriation are issued under this permit and permit 24590, the total combined amount of appropriation granted in said certificates shall not exceed what the well covered under the two permits is capable of producing.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....1.7.....cubic feet per second.

Actual construction work shall begin on or before.....March 10, 1974

Proof of commencement of work shall be filed before.....April 10, 1974

Work must be prosecuted with reasonable diligence and be completed on or before.....March 10, 1974

Proof of completion of work shall be filed before.....April 10, 1974

Application of water to beneficial use shall be made on or before.....March 10, 1977

Proof of the application of water to beneficial use shall be filed on or before.....April 10, 1977

Map in support of proof of beneficial use shall be filed on or before.....
